MAIL BID SALE NUMBER 6

TERMS OF SALE

1. BIDS BY MAIL OR PHONE will be accepted until 10 P.M. on the Date of Closing. All lots will be sold to the highest bidder. Bids will be treated as LIMITS (see item 2). In the case of tie bids the first received is given preference. No "buy" or unlimited bids are accepted. We recommend sending bids by airmail and if in the last week by special delivery.
2. TERMS OF REDUCTION: a) No reduction will apply to bids of \$10.00 or less. b) On bids of \$10.01 and up, the highest bid will be reduced to 10% over the second highest bid. On items that he really wants, the serious bidder is advised to bid high recognizing that his bid will be reduced if possible, but also realizing that, since he may be in competition with other seriously interested bidders, reduction may not be possible.
3. Auction sales are NOT approval sales. All material offered is guaranteed genuine and as described. Each lot has been painstakingly examined by the cataloguer and expert consultants. All claims for adjustment must be made within five days of receipt and be accompanied by statement of explanation.
4. Lots are sent immediately to successful bidders only if they are established customers or individuals whose reputations are known to the cataloguer. Bidders not known to us must furnish satisfactory trade references or a deposit equal to 25% of the bids submitted (which will be applied to purchases; any difference will be billed; any overage will be refunded). We reserve the right to obtain payment in full before delivery of the lots to anyone.
5. All bids are to be made, and invoices paid, in U.S. funds only. Payments made by Bank Transfer from foreign accounts must be made in U.S. Dollars to the Account of Joseph Lepczyk through any New York correspondent bank.
6. PAYMENT IS DUE immediately upon receipt of invoice unless other arrangements are made in advance. This is necessary so consignors can be promptly reimbursed. Shipment of lots paid for by personal check may be delayed until the check clears. All successful and unsuccessful bidders will be notified promptly.
7. Postage and insurance will be added to all lots sent by mail. Unless otherwise indicated by the bidder we will use our discretion as to whether to ship by air or surface mail. All lots to be mailed to addresses not in the United States of America or its Territories, will be made only at the risk of the purchaser. Foreign bidders must supply full detailed shipping instructions and agree to all terms as listed herein, before shipment will be made. We normally use registered air mail. So far we have experienced only one case of nondelivery which was made to Central America.
8. 4% Sales Tax is charged on all lots delivered to Michigan addresses. Dealers may deduct the tax provided they furnish their exemption number.
9. Bids are not accepted from MINORS.
10. Lots are available for inspection by appointment at our bank. If you wish additional information on any lot, please write or call. Any estimates which appear are based on catalog values or market conditions. Higher or lower valuations may prevail.
11. Title to all coins remains with the cataloguer until payment in full is received. Furthermore, the cataloguer reserves the right to accept or reject any or all bids at his discretion.
12. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids and keep a copy of them. We cannot be responsible for the errors of others. Your submitting of bids in this sale constitutes your acceptance of the foregoing terms.

MAIL BID SALES

CONSIGNMENT TERMS & CONDITIONS

COMMISSION RATES: 10% on gold coins bringing over \$50, 15% on all other lots sold. In addition a lot fee of \$1.00 is charged for each lot sold. No charges are made for unsold or returned lots.

LENGTH OF TIME: Coins may be submitted any time for inclusion in the next earliest possible Sale. Our tentative schedule is to have a sale every 3 months. This schedule may increase if conditions warrant. Accounts are settled promptly with consignors 30 days after the closing of each sale. Returned lots are relisted for the next following sale or returned to the consignor upon request.

RESERVE BIDS: Consignors may bid on their own lots if they wish. However the regular commission will be charged on those lots the consignor buys back. No reserves or minimum bids are accepted except as bids. All lots offered in our sales are sold to the highest bidder. We reject bids of a ridiculous nature or below accepted wholesale.

EXPECTATIONS: We have an excellent clientele. Our catalogues are sent worldwide to active collectors, investors, dealers and numismatic scholars. Bids are made by mail or phone. We cannot guarantee what coins will realize but past experience has shown that they will bring their top market value. Bidding is very competitive on desireable material. The majority of better items and collections are sold by auction and most record prices are realized in auctions.

VALUE AND TYPES OF MATERIAL: We discourage consignments of inexpensive coins but will accept them if they form part of a worthwhile group or collection. We are willing to handle nearly any numismatic item as long as the overall consignment is of sufficient value that we can handle it on a profitable basis. If one has any question about consigning certain material just call us for consultation or send a list of what the material is. We try to have our lots average \$25 each and up. Items of value too low to list and lot or of questionable nature or authenticity are returned to the consignor. Only a limited amount of tokens or medals are accepted for each sale. We are not interested in modern psuedo-coins, silver bars, Franklin Mint medals or "investment" plates.

RESPONSIBILITY AND SERVICE: We reserve the right to catalog, classify, grade, group and advertise all coins as we see fit. Coins may be graded and cataloged by the consignor subject to our final approval using our established standards. All material is kept in bank boxes. We assume full responsibility in case of loss. Consignment coins will be given the same care and attention while in our keeping as we give to our own. If the consignor desires we will be happy to include on our mailing list any individual whom he feels would be interested in receiving a catalog containing his consignment. The identity of consignors remains confidential at all times unless we have the consignor's permission to release it with discretion. All consignors receive a copy of our catalog with their lots checked. Printed lists of prices realized are supplied to consignors free of charge as soon as they are available.
